- BLD 413 (1) SS Senior Year

*Many of the courses in the Arts and Humanities and Social, Behavioral, and Economic Sciences arenas, emphasize national diversity (designated "N" at the end of the course title), or international and multi-cultural diversity (designated "I" at the end of the course title). Some courses emphasize both national diversity, and international and multi-cultural diversity (designated "D" at the end of the course title). Students must include at least one "N" course and one "I" course in their Integrative Studies programs. A "D" course may meet either an "N" or an "I" requirement but not both.*
Students are eligible to apply for post-baccalaureate internships at an approved hospital program and are qualified to take the national certification exam after their clinical experience.

How do you make an advising appointment?

- Go to bld.msu.edu
- Click the “Students” link on the left side of the page
- Click the “Advising” link within the green box
- Click the link “Set up an appointment with your advisor now”
- Enter your MSU Net ID and password
- Select “College of Natural Science” link
- Select “Biomedical Laboratory Diagnostics”
- Select advisor from the drop down menu

Note: Sue McQuiston advises BLS majors. Leslie Thompson advises CLS majors and Honors students only. Mariane Wolfe advises BLS students and graduate students.

- Select the time and day for your appointment
- You should get an email confirmation after you made your appointment.

If you do not see an open time slot that works with your schedule, please email bld@msu.edu, and your email will be forwarded to the appropriate advisor.
